OLC RECORD COPY

MEMORANDUM FOR:

Directorate of Administration

FROM:

Chief, Legislation Staff
Office of Legislative Counsel

SUBJECT:

Draft Legislation to Implement Recommendations
of the Inter-Agency Committee on Overseas
Allowances and Benefits for U.S. Employees (U)

1. We have received from the Office of Management and Budget four legislative proposals which are part of the package recommended by the Inter-Agency Committee, with which I believe you are familiar. (U/IUO)

2. Please note that the Agency is being asked to indicate: (1) the estimated annual cost under each bill and under any recommended modifications; and (2) how much of the annual costs the Agency is prepared to absorb. (U/IUO)

3. Responses are due to the Office of Management and Budget by COB 23 January 1979. Please secure appropriate coordination of your recommended Agency response and furnish it to my staff, by COB 18 January 1979. (U/IUO)

4. It should be noted that there is an overlap between Title IV of the draft Intelligence Authorization Bill and the proposal to amend 5924(4)(B) of Title 5, United States Code, with regard to educational travel benefits. I have received several communications from various Agency offices related to whether or not the term "employee" includes certain categories of employees and other individuals such as DDO Career Associates. This issue would also appear to be pertinent to the attached legislative proposals and it is something that we must clarify both in the context of these proposals and the Intelligence Authorization Bill. (U/IUO)
